If attending a Catholic church, the liturgical color used at mass was:

Where did you see this color?

Why is this color being used?

If attending a non-Catholic church, what color(s) did you see?

Why do you think this color is being used?

What was the gospel reading about?

Write one lesson you heard the priest/pastor/minister/deacon teach during the homily at mass.

What can you do this week to put into action the message of the Gospel reading?

If not attending a Catholic church, list similarities and differences between the church you attend and our weekly Wednesday school mass.
